

Jefferson County Child Support Agency hosts guests from New Zealand and Australia

The National Child Support Enforcement Association Leadership Symposium will be held this year in Milwaukee August 9th-12th. Five team members from the Jefferson County Child Support Agency received scholarships and will be attending this year. This is an exciting event for the child support community that brings child support leaders from around the world. The Jefferson County Agency was selected to host child support leaders from Australia and New Zealand who were here for the Leadership Forum. The guests were Sue Gilles and Paula Knapp from the New Zealand Government and Inland Revenue and George Thiveos, General Manager, Department of Human Services Australia. The visit was held on Thursday, August 6th. During their visit they observed paternity court and exchanged information about child support processes.
